

PTML	Document #: ISP-MR-01	Revision Date: 24-07-2014
	Title: Integrated management systems policy	Revision # 01

For the scope of “Edible Cooking Oil, Banaspati and Industrial Fat” the management of our company affirms that every product carrying the icon of the PTML has all the quality attributes that will fully satisfy consumer / customer’s expectations. We believe that our people and our products embody our slogan “HAR CHEEZ MEZAN MEIN ACHI LAGTI HAI” in terms of quality/ Environmental and Food Safety standards, in terms of innovative capabilities, in terms of human skills.

Our company system binds the management and employees of the company to follow core policies:

- We will critically examine and continuously review all aspects of operations, from procurement to be distribution of finished products
- We will undertake continuous appraisal, feedback and training of our personnel at every level to ensure optimum levels of productivity, creativity and job satisfaction.

We are also committed to pollution reduction and continually improving performance of our quality, food safety and environmental management system, compliance with applicable legal requirements.

Director
